A. Grimsson and O. Olafsson
Summaries of papers read at the meeting of the Society for Social Medicine 16 to 18 September 1976

No. 2 June 1977

Foods and diseases
E. G. Knox
Is milk a coronary health hazard?
J. J. Segall
Some behavioural changes in 493 patients after an acute myocardial infarction
M. Mallaghan and J. Pemberton
Are poor living conditions in childhood and adolescence an important risk factor for arteriosclerotic heart disease?
A. Forsdahl
Coronary risk factors in various occupational groups: The Oslo study
I. Holme, A. Helgeland, I. Hjermann, P. Leren, and P. G. Lund-Larsen
Acute respiratory illness in the community: Effect of family composition, smoking, and chronic symptoms
A. S. Monto and H. Ross
Frequency distribution of hospital-referred parasuicidal episodes in Edinburgh
J. C. Duffy
Hospital or home care for the severely disabled: A cost comparison
A. L. Creese and R. Fielden
Scaling indices of disablement
A. C. Bebbington
A scoring system for sick children
M. A. Oyediran, H. D. Ziegler, and M. A. Ojo
Bias resulting from missing information: Some epidemiological findings
A. Cox, M. Rutter, B. Yule, and D. Quinton
The power of a test for seasonality
S. D. Walter
No. 3 September 1977

Motor neurone disease and multiple sclerosis among immigrants to Britain
G. Dean, R. Brady, H. McLoughlin, M. Elian, and A. M. Adelstein 141

A case control study of carcinoma of the ovary
M. L. Newhouse, R. M. Pearson, J. M. Fullerton, E. A. M. Boesen, and H. S. Shannon 148

Lead in human blood and in the environment near a battery factory

Defects of the central nervous system in Finland: I. Variations in time and space, sex distribution, and parental age
G. Granroth, M. Hakama, and L. Saxén 164

Suicide mortality in Greater London: Changes during the past 25 years

Mortality and the concentration of elements in tap water in county boroughs in England and Wales
P. C. Elwood, A. S. St Leger, and M. Morton 178

Housing conditions, respiratory illness, and lung function in children in South Wales
J. W. G. Yarnell and A. S. St Leger 183

A trial of ascorbic acid in the treatment of the common cold

Marital status and hospital use
J. R. Butler and M. Morgan 192

Social area analysis in community medicine
A. Scott-Samuel 199

Peripheral outpatient clinics: Use, costs, and benefits
M. J. Goldacre and A. Gatherer 205

Evaluation of patients' assessment of day hospital care
H. Peach and M. S. Pathy 209

No. 4 December 1977

Editorial: Primary medical care—whose responsibility?
211

Perceived illness and its treatment: A naturalistic study in social medicine
H. Fabrega 213

Why do women consult doctors? Social factors and the use of the general practitioner
S. A. A. Beresford, J. J. Waller, M. H. Banks, and C. J. Wale 220

A study of the organisation and functioning of the obstetric services in a health district
D. S. Parken, P. G. Holt, and D. G. Williams 227

Social group and mortality in Finland
S. Nähä 231

Selective screening for cervical cancer: Experience of the Finnish mass screening system
M. Hakama and E. Pukkala 238

Geographical variation in mortality from ischaemic heart disease in England and Wales
R. R. West 245

Incidence of diabetes mellitus in Oslo, Norway 1956-65
H. J. Ustvedt and E. Olsen 251

Developmental and behavioural functions in young children with elevated blood lead levels
J. M. Ratcliffe 258

The hazard of old lead mines in Wales
H. F. Thomas, F. Moore, E. Welsby, P. C. Elwood, and J. N. M. Firth 265

Cleft lip and palate in the Oxford area: An examination of the evidence for clustering in space and time
A. B. Heath 269

Correspondence 272
