Antimicrobial Agents and Chemotherapy (ISSN 0066-4804), an interdisciplinary publication of the American Society for Microbiology, 1913 St., NW, Washington, DC 20006, is devoted to the dissemination of knowledge relating to all aspects of antimicrobial, antiparasitic, and anticancer agents and chemotherapy. Instructions to authors are published in the January issue each year; reprints are available from the editors and the Publications Department. Antimicrobial Agents and Chemotherapy is published monthly, and the twelve numbers are divided into two volumes per year. The nonmember subscription price is $180 per year; single copies are $21. The member subscription price is $35 (foreign, $49; surface rate) per year; single copies are $7. Correspondence relating to subscriptions, reprints, defective copies, availability of back issues, lost or late proofs, disposition of submitted manuscripts, and general editorial matters should be directed to the ASM Publications Department, 1913 St., NW, Washington, DC 20006 (phone: 202 833-9680).

Claims for missing issues from residents of the United States, Canada, and Mexico must be submitted within 3 months after publication of the issues; residents of all other countries must submit claims within 6 months of publication of the issues. Claims for issues missing because of failure to report an address change or for issues “missing from files” will not be allowed.

Second-class postage paid at Washington, DC 20006, and at additional mailing offices.

POSTMASTER: Send address changes to Antimicrobial Agents and Chemotherapy, ASM, 1913 St., NW, Washington, DC 20006.

Made in the United States of America.

**1986 Full Membership — American Society for Microbiology**

1913 I St., NW, Washington, DC 20006

The Society welcomes to full membership any person who is interested in its objects, and who holds a bachelor’s degree in microbiology or a related field (or who has had training and experience equivalent to that represented by a bachelor’s degree).

The minimum annual membership assessment is $61, which includes a general membership fee, *ASM News*, and $43 toward subscriptions to the Society’s scientific journals. The Society publishes nine scientific journals (listed below). Members may subscribe to one or more of these journals at special member rates; $43 of the minimum dues payment of $61 may be credited towards journal subscriptions. In addition, the Society publishes the monthly *ASM News*, which is sent to all members and contains news and announcements of interest to all microbiologists.

Memberships are initiated and renewed as of January each year. Unless there are directions to the contrary, membership nominations received prior to November 1 will be credited to the current year, and back issues of the selected publications for the current year will be furnished. Nominations received after November 1 will become effective the following January.

in this form and we will contact you. Nominated by: __________________________

(Signature of Society member)  

**RATES ARE FOR 1986 ONLY**

Please enclose payment with application.

Prices are listed in U.S. dollars. Due to currency exchange difficulties and cost, foreign applicants in countries except Canada must remit in U.S. dollars by check or draft (payable to ASM) drawn on a U.S. bank located within the continental United States. Applicants from Canada may use checks drawn on Canadian banks, but remittance must be made in U.S. dollars.

Please check this box if you prefer to receive only *ASM News* and remit $61.

**1986 Student Membership — American Society for Microbiology**

1913 I St., NW, Washington, DC 20006

Any regularly matriculated student majoring in microbiology or a related field is eligible for election as a Student Member. Student Members have all privileges of membership except the right to vote and hold office in the Society.

Student Members receive the monthly *ASM News* and are entitled to subscribe to the Society’s journals at member rates.

Memberships are initiated and renewed in January of each year. Unless there are directions to the contrary, membership nominations received prior to November 1 will be credited to the current year, and back issues of the selected publications for the current year will be furnished if available. Nominations received after November 1 will become effective the following January.
