HELP A CHILD TO SEE/CHILDREN’S EYE GROUP FELLOWSHIP

A fund has been created to provide money for a travelling fellowship. The award is made annually except where there are insufficient applications deemed appropriate by the adjudicators.

The adjudicators will be the organisers of the Children's Eye Group and two representatives of the Child Health Research Appeal. The applications will be reviewed by the four adjudicators and a consensus as to the most suitable will be obtained by the current year’s organiser of the Children's Eye Group.

Applications may be submitted by anyone interested in children’s eye problems, but must have a clearly defined and practical aim. Five copies of a detailed itinerary, plan and costings together with the applicants C.V. should be submitted to:-

Mr M. P. Clarke
Consultant Ophthalmologist
Claremont Wing Eye Centre
Royal Victoria Infirmary
Queen Victoria Road
Newcastle upon Tyne
NE1 4LP

by Monday 10th March 1997.

The award will cover travel and travel insurance. Subsistence and other expenses will be allowed at rates to be agreed. The total value of the award will be about £2000.

The award will be made at the Children's Eye Group Meeting in March 1997. The recipient of the award must prepare a report to be read at the Children's Eye Group meeting in 1998.
